

Today, Lake County Sheriff Mark Curran, Bureau of Alcohol, Tobacco and Firearms Special Agent-in-Charge Andy Traver and I announced the “Top 10 Most Wanted Gang Members” of Lake County.

This is the second year we have announced the list. According to a [recent report](#), Illinois has more gang members per capita than any other state in the nation. There are now more gang members in Lake County than law enforcement officers. That’s why we need help from the public to track these fugitives down. Already, 17 gang members have been captured because of the Top 10 list. If you see anyone on the [list](#), please call your local police department or the Sheriff’s office immediately.
